

Thrills and Chills

The fabulous men from Australia's **Thunder From Down Under** rocked recently when they walked the red carpet (actually blue) at the posh third anniversary party for upscale *Vegas* magazine (a sister publication of *Las Vegas Magazine*) and suddenly opened up their shirts to show those famous six-pack abs.

That was just a sample of what showgoers can expect when they visit the show at Excalibur, where the guys show just why they are part of the hottest male adult revue in Las Vegas.

Thunder is a 70-minute festival of flesh in which these handsome men thrill audiences with themed group and solo dance numbers that involve interaction with the lucky girls at the show.

Remember, there is a no-tipping policy so everyone has an equal chance to get up-close and personal with the great-looking men. Take your pick—knight in shining armor, military man, pirate or cowboy, to name a few—*Thunder* has them onstage. —PENNY LEVIN
