Millions of ladies can't be wrong as they continuously praise Australia's **Thunder From Down Under** (EXCALIBUR, 702.597.7600) show as one of the most fun-filled experiences of their lives. And, as this photo shows, the ladies from ABC's "The View" really enjoyed the guys during a recent taping of their show in Las Vegas. (That's Barbara Walters smiling broadly, second from the

right.) ¶ The handsome young men who perform in this exciting male revue epitomize the description of washboard abs, valiant hearts and great fun. These blokes from the land of kangaroos and koalas have created a "thunderous excitement" in Merlin's Theater at the Excalibur. ¶ They are mesmerizing the throngs of women who come to see the show that teases and tantalizes but is still fit for women ages of 18-100. ¶ If you are looking for fun with handsome men whose physical fitness is evident at first glance, you will want to be with the men of *Thunder*. —THOM WISE
